

Wage Loss Packet - Gilery Ogando

WAGE LOSS INSTRUCTIONS

One of the most important aspects of your personal injury claim will be your lost earnings if you are unable to work for any length of time due to your injuries.

We ask your cooperation in obtaining the two items required to process your wage loss payment(s). These documents are:

1. Wage and Salary Verification; and
2. Attending Physician's Report

Doctors generally complete the Attending Physicians Report while you are in their office. Attached you will find the Wage and Salary Verification Form and Attending Physician's Statement. It is our suggestion that you provide your employer with this form and have it completed and returned to us so we can fully document your wage loss claim. Of course, if there are any questions concerning this procedure, please feel free to contact me.
